THINGS TO THINK ABOUT

What direction or niche do we want the SCFWI to occupy?

Who should the target audience for the SCFWI, and the Consortium, be?

What do we hope to gain from the 2023 Consortium?

HOW CAN WE IMPROVE THE 2023 CONSORTIUM? WHAT CAN WE OFFER THAT OTHERS AREN'T ALREADY DOING?

A few ideas:

- sharing and promoting success stories that can be reimagined for other projects
- funding sources for landowners and water utilities
- clearinghouse for data, programs, and projects around the state
